Item 1.01 Entry into a Material Definitive Agreement

Glencore Alumina Purchase Agreement

On April 16, 2008, Century Aluminum Company ("Century") signed an Alumina Purchase Agreement ("Agreement") with Glencore AG ("Glencore"), a subsidiary of Glencore International AG. The Agreement which is effective as of April 14, 2008, provides that Glencore will supply Century with 290,000 metric tons ("MT") of alumina in 2010; 365,000 MT in 2011; 450,000 MT in 2012; 450,000 MT in 2013 and 730,000 MT in 2014. The price of the alumina is indexed to the price for primary aluminum as quoted on the London Metals Exchange. The Agreement supersedes and replaces the term sheet agreed to by Century and Glencore on November 6, 2007, as reported in Century's Form 8-K filed on November 13, 2007.

Glencore is Century's largest stockholder and owns approximately 28.5% of its outstanding common stock. Glencore is an important business partner, as a customer, a supplier of alumina to Century's facilities and as a counterparty to its hedges. Mr. Willy R. Strothotte, a director of Century, is Chairman of the board of directors of Glencore International AG and served as its Chief Executive Officer from 1993 through 2001.

The foregoing descriptions of the material terms of the Agreement are qualified by reference to the full text of such agreement, which will be included as an exhibit to Century's Form 10-Q for the quarter ended June 30, 2008.
