## PRESS RELEASE

LINKÖPING, MARCH 3, 2015

# IFS signs cooperation agreement with Accenture for sales and delivery in the Nordic market

**IFS**, the global enterprise applications company, announced the signing of a new cooperation agreement with **Accenture**. IFS and Accenture will jointly pursue sales and delivery opportunities, with the agreement focusing on growing IFS's license sales together with Accenture's implementation and application management services related to IFS Applications.

IFS and Accenture will strengthen Accenture's existing IFS practice with training and certification of 100 consultants through the [IFS Academy](#).

The cooperation agreement is valid for five years and includes options to be extended geographically.

### About IFS

**IFS**™ is a globally recognized leader in developing and delivering business software for enterprise resource planning (ERP), enterprise asset management (EAM) and enterprise service management (ESM). IFS brings customers in targeted sectors closer to their business, helps them be more agile and enables them to profit from change. IFS is a public company (XSTO: IFS) founded in 1983 and currently has over 2,700 employees. IFS supports more than 2,400 customers worldwide from its network of local offices and through a growing ecosystem of partners.
