

Teleca - divestment of product business completed

Malmö, Sweden – January 5, 2009 – Teleca, a world-leading supplier of software services to the mobile industry (Nordic Exchange, Small cap: TELC B), today announces the completion of the divestment of its product business.

On October 13, 2008, Teleca announced the divestment of its product business conditioned by fulfillment of some customary conditions. These conditions have now been fulfilled and Teleca has received the cash from the transaction.

For more information about the transaction and financial details please see Teleca press release dated October 13, 2008.
