### **About Orc Group**

Orc Group is a leading provider of technology and services for the global financial industry. Orc delivers trading and market access solutions that are used by proprietary trading and market making firms, investment banks, hedge funds and brokerage houses.

The Orc Group serves customers through three business units, each with distinctive offerings:

- **Orc** develops and provides the tools needed to run profitable trading and brokerage businesses.
- **Neonet** offers professional market participants flexible, independent and transparent execution services.
- **CameronTec** is the financial industry leader in FIX infrastructure and connectivity solutions.

With market presence in all major global financial centers, Orc provides sales and support services from its offices across the EMEA, Americas and Asia-Pacific regions.

Orc Group is publicly traded on NASDAQ OMX Stockholm (SSE: ORC).
