

## Teligent sells its Asian subsidiaries

On 28 August, the Board of Teligent AB decided to sell its subsidiaries in Singapore, Malaysia and the Philippines.

During the first six months of the year, Teligent's Asian subsidiaries had a turnover of MSEK 3,8 and reported a positive contribution of MSEK 0,1.

"This creates good possibilities for Teligent's previous investment in Asia to develop under new management", says Jan Rynning, Chairman of the Board.
